WATER HEATERS CATALOGUE

FUEGO – POWERING COMFORT IN EVERY HOME.

WHY CHOOSE **FUEGO?**

CHOOSING FUEGO means choosing reliability, performance, and modern design. Our water heaters are built with high-quality materials and advanced technology to ensure efficient heating, long-lasting durability, and safe everyday use.

Designed to meet the needs of modern homes, FUEGO water heaters provide fast heating, energy efficiency, and user-friendly operation. With strict quality control and attention to detail, every product delivers comfort and dependable performance you can trust.

MAGNESIUM ANODE

The magnesium anode is a protective element inside the water heater that absorbs corrosion instead of the tank, significantly extending the boiler's lifespan. It helps prevent rust, leaks, and damage from hard water, ensuring long-lasting performance. Anodes should be checked or replaced every 2–5 years depending on water hardness.

PRECISE TEMPERATURE CONTROL

Allows precise, continuous temperature adjustment with step by 1°C. Users can set the exact temperature they want, improving energy efficiency, reducing stress on the heating element, and enhancing overall comfort and convenience.

FLEXIBLE INSTALLATION

FUEGO water heaters can be installed vertically or horizontally, offering versatile placement to fit any space.

WI FI ENABLED WATER HEATER

Control your water heater remotely via smartphone for convenience and energy savings. Set schedules, adjust temperatures, receive notifications—all from your smart home app.

DOUBLE TANK WATER HEATER

Two internal tanks heat water faster, provide quicker reheating, and ensure continuous hot water supply. This design also improves energy efficiency and allows for a slim, space-saving installation.

WATER HEATERS

FUEGO FGVW 10US / 10BM

- CAPACITY: ENAMELLED TANK 10L
- HIGH EFFICIENT HEATING ELEMENT
 - MAGNESIUM ANODE
- STEP-LESS THERMO CONTROL
- OVER-HEATING PROTECTION
- OVERALL INSULATION LAYER
- SAFETY VALVE PROTECTION
 - CE APPROVAL
 - A CLASS
- MECHANICAL KNOB

FGVW 50VH | FGVW 80VH | FGVW 80VHDH | FUEGO FGVW 100VH

- CAPACITY: ENAMELLED TANK 50-80-100L
- 310S STAINLESS STEEL ENAMEL HEATING ELEMENT (50VH/80VH/100VH)
- 310S STAINLESS STEEL ENAMEL HEATING ELEMENT(80VHDH)
 - MAGNESIUM ANODE
- STEP-LESS THERMO CONTROL
- OVER-HEATING PROTECTION
- OVERALL INSULATION LAYER
- SAFETY VALVE PROTECTION
 - CE APPROVAL
 - C CLASS
- MECHANICAL KNOB
- VERTICAL AND HORIZONTAL INSTALLATION

FUEGO FGVW 80 LED WIFI

- CAPACITY ENAMELLED TANK 80L
- 310S STAINLESS STEEL **ENAMEL HEATING** ELEMENT
 - LONG-LIFE MAGNESIUM ANODE
- PRECISE TEMPERATURE CONTROL STEP BY 1°C ON THE APP
- FOUR STEPS TEMPERATURE CONTROL ON THE SCREEN
 - OVER-HEATING PROTECTION
 - OVERALL INSULATION LAYER
 - **SAFETY VALVE** PROTECTION
 - CE APPROVAL
 - **B CLASS**
- **ELECTRIC TOUCH CONTROL + WIFI**
 - LED DISPLAY
- VERTICAL AND HORIZONTAL INSTALLATION

FUEGO FGVW 80 DD

- CAPACITY: 66L
- ELECTRIC TOUCH CONTROL
 - **WIFI CONTROL INCLUDED**
- DOUBLE TANDEM ENAMEL WATER TANK
- AI ADAPTIVE WATER CONTROL TECHNOLOGY
- HIGH QUALITY MAGNESIUM ROD ANODE FOR ANTI CORROSION
- HIGH DENSITY **FOAM INSULATION**, 30mm THICKNESS

INSTANT WATER HEATERS

IWHFGVW 52060A

- LOW-POWER INSTANT ELECTRIC WATER HEATER (5KW)
 - 220-240V, 50/60HZ
- WATER OUTLET TEMPERATURE: 30 - 55°C (STEP BY 1°C)
- **ALUMINIUM** CASTING HEATING ELEMENT
 - DIGITAL TEMPERATURE DISPLAY + ELECTRIC TOUCH CONTROL
- CERTIFICATED: CE, ROHS, ERP, REACH
 - WATERPROOF- IP25
 - ENERGY EFFICIENCY: **CLASS A**
 - PRODUCT SIZE: 280*210*93mm

IWHFGVW 182060A

- HIGH-POWER INSTANT ELECTRIC WATER HEATER (18KW)
 - PHASE 400V, 50/60HZ
- WATER OUTLET TEMPERATURE: 30 - 55°C (STEP BY 1°C)
- **ALUMINIUM** CASTING HEATING ELEMENT
 - DIGITAL TEMPERATURE DISPLAY+ MECHANICAL KNOB
- CERTIFICATED: CE, ROHS, ERP, REACH
 - WATERPROOF- IP25
 - ENERGY EFFICIENCY: **CLASS A**
 - PRODUCT SIZE: 274*482*82.5mm
